

Essential Kit Assemblers

Location: Arlington Thrive's office

Commitment: 1-2 hours each month

Many essential items aren't covered by benefits such as SNAP. To ensure families have access to essentials like dental kits, first aid materials, period supplies, and cleaning items, Arlington Thrive provides kits at markets and fairs around the county. Are you looking for a hands-on way to make a difference? Join us as an Assembly Kit Volunteer and help put together essential kits for those in need!

Key Responsibilities:

- Assemble kits with care and attention to detail
- Organize materials efficiently to ensure a smooth assembly process
- Work collaboratively with other volunteers
- Ensure that each kit meets expectations

Skills:

- A willingness to help
- Ability to follow instructions and work efficiently
- Team-oriented mindset and positive attitude
- Comfortable standing or working on tasks for extended periods (accommodations available)

Your efforts as an Assembly Kit Volunteer will directly support the Arlington community by providing essential supplies to individuals and families. Whether it's hygiene kits, first aid kits, or period care kits, your work will make a meaningful difference in people's lives.
